

Vision Statement

HAPPINESS is at the heart of Beeches Infant School. We create a relaxed environment in which each individual child is happy.

We believe everything follows from happiness. Children are more receptive learners when they're happy; they're more caring and respectful when they're happy; and they're much more likely to fulfil their potential when they're happy.

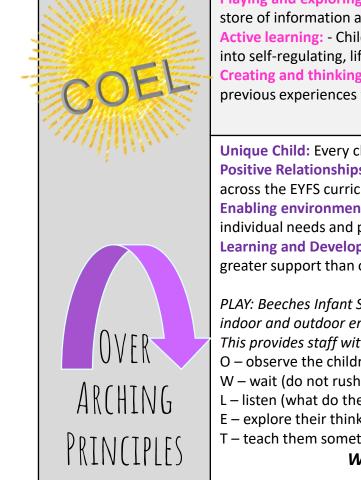

Of course, we'll challenge them through our inspirational teaching. At BI we promote responsibility and independence whilst offering opportunity and support.

We strive for our children to be the best they can be.

GENERAL THEMES	All About me!	LETS CELEBRATE!	TELL A STORY	Once upon a time	INTO THE GARDEN	CHANGES

Characteristics of Effective Learning

Playing and exploring: - Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning

Active learning: - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.

Creating and thinking critically: - Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.

Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured.

Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.

Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.

Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.

PLAY: Beeches Infant School value the importance of play. We set up the environment with a balance of adult-led and child-initiated activities both within the indoor and outdoor environment. We value that we gain accurate assessments of children's knowledge and skills when they are confidently engaged in play. This provides staff with what the children know and how to move the children on. At Beeches Infant School we use OWLET to move children's play on: O – observe the children whilst playing

W – wait (do not rush into the play)

L – listen (what do the children know)

E – explore their thinking (comment/engage in conversation with them – open ended questions)

T – teach them something knew to further their knowledge and skills

We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.

RECEPTION	V LONG	Term	Plan	21-22

	Autumn 1	Autumn 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2				
General Themes	All about me	LETS CELEBRATE	Tell Me A story	Once upon a time	INTO THE GARDEN	CHANGES				
COMMUNICATION AND LANGUAGE Talk to parents about what language they speak at home, try and learn a few key words and celebrate multilingualism in your setting.	age form the foundation the day in a language-ric vocabulary added , pract rhymes and poems, and opportunity to thrive. Th	he development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early ge form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new ocabulary added , practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, hymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts , will give children the portunity to thrive. Through conversation, story-telling and role play , where children share their ideas with support and modelling from their teacher, and ensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures .								
Whole EYFS Focus – C&L is developed throughout the year through high quality interactions, daily group discussions, sharing circles, PSHE times, stories, singing, speech and language interventions, Pie Corbett T4W actions, EYFS productions, NELI and Wellcomm DAILY STORY TIME USING HIGH QUALITY TEXTS CHILDREN ENGAGED IN FOCUS BOOKS. CHILDREN ENGAGED IN FOCUS BOOKS. CHILDREN ENCOURAGED TO TALK ABOUT STORIES TO BUILD FAMILIARITY AND UNDERSTANDING	Welcome to EYFS Settling in activities Making friends Children talking about experiences that are familiar to them What are your passions / goals / dreams? About family routines and special occasions Show an interest in the lives of other people Follow instructions (settling in, putting my things away) Develop vocabulary: NELI, word of the week, Wellcomm intervention Model talk routines through the day. For example, arriving in school: "Good morning, how are you?") Use new vocabulary independently in play.	Wow words! Develop vocabulary: Word of the week NELI/Wellcomm interventions Talk for writing Story language Listening and responding to stories Following instructions Takes part in discussion Understand how to listen carefully and why listening is important. Choose books that will develop their vocabulary. Wow words to describe different celebrations. Nativity performance. Use new vocabulary independently in play.	Tell me a story! Develop vocabulary: Word of the week NELI/Wellcomm interventions Using language well Ask's how and why questions Retell a story with story language Remember key points from a story Story invention – talk it! Ask questions to find out more and to check they understand what has been said to them. I can describe events (Chinese New Year) Listen to and talk about stories to build familiarity and understanding. Learn rhymes, poems and songs. Use new vocabulary independently in play.	Explain to me! Develop vocabulary: Word of the week NELI/Wellcomm interventions Reciting poems and songs I can learn and recite, poems and songs: Rhyme of the week Tell me a story - retelling stories: talk for writing I can articulate my ideas and thoughts into well-formed sentences I ask questions to find out more I can talk about similarities and differences between things in the past and now Use new vocabulary independently in play. I can use talk to help work out problems and organise thinking and activities, and to explain how things work and why they might happen	Can you recount an event? Develop vocabulary: Word of the week NELI/Wellcomm interventions I can learn and recite, poems and songs: Rhyme of the week I can listen to, engage in and talk about non-fiction Using the iPad to take a photograph I can describe events in some detail: trip, life cycles I can listen to and engage in and talk about selected non- fiction Use new vocabulary independently in play. I can connect one idea or action to another using a range of connectives.	Tell me differences? Talk Boost Develop vocabulary: Word of the week NELI/Wellcomm interventions I can learn and recite, poems and songs: Rhyme of the week I can talk about the experiences I have had at different points in the school year (transition) Use new vocabulary independently in play. I can connect one idea or action to another using a range of connectives.

PERSONAL, SOCIAL AND Emotional Development	Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives , and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world . Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others . Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating , and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life .

	AUTUMN 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2			
General Themes	All About me	LET'S CELEBRATE	Tell me a story	Once upon a time	INTO THE GARDEN	CHANGES			
PHYSICAL DEVELOPMENT	starting with sensory explorat creating games and providing opp motor skills provide the found	Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives . Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness , co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination , which is later linked to early literacy . Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence .							
ETTINE MOTOR Continuously check the process of children's handwriting (pencil grip and letter formation, including directionality). Provide extra help and guidance when needed. DALLY OPPORTUNITIES FOR FINE MOTOR ACTIVITIES AND DISCO DOUGH	Threading, cutting, weaving, playdough, pegs, tweezers. Manipulate objects with good fine motor skills Draw lines and circles using gross motor movements Hold pencil/paint brush beyond whole hand grasp Pencil Grip The Reception Year – Fine Motor Develop their small motor skills so that	Threading, cutting, weaving, playdough, pegs, tweezers. Develop muscle tone to put pencil pressure on paper. Use tools to effect changes to materials Show preference for dominant hand Teach and model correct letter formation.	Threading, cutting, weaving, playdough, pegs, tweezers. Begin to form letters correctly Handle tools, objects, construction and malleable materials with increasing control. Encourage children to draw freely. Holding Small Items / Button Clothing / zips Cutting with Scissors	Threading, cutting, weaving, playdough, pegs, tweezers. Hold pencil effectively with comfortable grip. Forms recognisable letters most correctly formed	Threading, cutting, weaving, playdough, pegs, tweezers. Develop pencil grip and letter formation continually Use one hand consistently for fine motor tasks Cut along a straight line with scissors / Start to cut along a curved line, like a circle	Threading, cutting, playdough, Form letters correctly Cut a shape out using scissors Begin to draw diagonal lines, like in a triangle Start to colour inside the lines of a picture Draw pictures that are recognisable Build things with smaller blocks			
Gross Motor	Develop the foundations of a handwrit Baseline assessments Body Management Move confidently and cooperatively in space. Stretch, reach and extend in a variety of ways and positions. Control and perform specific movements on command	ing style which is fast, accurate and efficient Speed Agility Travel Gymnastics Develop confidence in fundamental movements. Travel with some coordination. Change direction at speed. Perform actions demonstrating changes in speed.	cient Dance Perform a wide variety of dance actions. Copy, repeat and perform simple movement patterns. Count and move to beats of 8. Work as an individual, in partners and as a group.	Manipulation & Coordination Send and receive a variety of objects with different body parts. Work with others to control objects in space. Coordinate body parts such as hand- eye.	Manipulation & Coordination Coordinate similar objects in a variety of ways. Differentiate ways to maneuver objects. Skip in isolation and with rope.	Speed Agility Travel Participate in a variety of agility-based activities. Recognise the difference between actions such as moving softly. Relate body movements to music and percussion beats. Sports Day			
DAILY CONTINUOUS PROVISION TO DEVELOP GROSS MOTOR SKILL -OUTDOOR CLIMBING/BALANCING EQUIPMENT - BIKES, SCOOTERS, PRAMS - BATS, BALLS, HOOPS, BEANBAGS	The Reception Year – Gross Motor Revise and refine the fundamental movement skills they have already acquired: -rolling, crawling, walking, jumping , running , hopping , skipping , climbing Progress towards a more fluent style of moving, with developing control and grace. Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Combine different movements with ease and fluency. Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. Develop overall body-strength, balance, co-ordination and agility. Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball. Further develop the skills they need to manage the school day successfully: lining up and queueing, mealtimes.								

	Autumn 1	Autumn 2	SPRING 1	SPRING 2	Summer 1	Summer 2				
General Themes	All About me!	LETS CELEBRATE!	Tell Me a story	Once upon a time	INTO THE GARDEN	CHANGES				
LITERACY	develops when adults talk with childre	It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only velops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy vorking out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)								
COMPREHENSION - DEVELOPING A PASSION FOR READING	I can show a preference for a book, song or rhyme. I can talk about the meaning of the print in the text. I can make up a sensible story based on images in a picture book. I am beginning to use new words learnt from texts in my own play.	I can talk about events and characters in a story read to me. I can join in with rhymes and stories. I can fill in missing words from well-known rhymes I am beginning to use new words learnt from texts in my own play.	I can show interest and answer simple questions about the text I use words that I know to check my reading makes sense I am beginning to use new words learnt from texts in my own play.	I can demonstrate understanding when talking about what I have read I can repeat words or phrases to check my reading I am beginning to use new words learnt from texts in my own play.	I am beginning to notice if my reading makes sense and looks right I think about what I already know to help me with my reading I can say rhymes by heart I can sometimes notice errors I know that illustrations can help me make sense of my reading. I am beginning to use new words learnt from texts in my own play.	I can demonstrate understanding of what has been read to me by retelling stories and narratives using my own words and recently introduced vocabulary (ELG) I can use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play (ELG) I am beginning to use new words learnt from texts in my own play.				

Children will be exposed to a phonics session every day. The TA for the class will target those working below expectations. The CT will differentiate the phonics lesson three different ways.

Guided reading is planned for every day. Each group reads twice a week with an adult and then they are exposed to three independent reading activities across the week.

Intervention lessons in the afternoon will support those not on track.

Reading books are sent out twice a week (according to child's reading level) and additional books are provided on Bug Club to support parental engagement

	AUTUMN 1	Autumn 2)	SPRING 1		SPRING 2	Summer 1	Summer 2

Name writing, family picture, occupation (drawing and labelling) Shopping lists, Writing initial sounds and simple captions to label characters / images. Writing for a purpose in role play	Texts as a Stimulus: Sparks in the Sky Dinosaur Roar Non fiction - dinosaurs Diwali The Christmas Story Christmas Week Rangoli patterns, splatter mark making – labelling. Draw and label a dinosaur picture. Class book of dinosaur opposites e.g. dinosaur big, dinosaur small (draw and label/caption), dinosaur fact file. Sequence and caption the Christmas story. Christmas card design and writing. Name writing. Letters to Santa. Writing tricky words (Phase 2) Writing initial sounds,	Texts as a Stimulus: We're Going on a Bear Hunt Safer Internet Day The Gruffalo Chinese New Year Story map for the bear hunt, speech bubbles (characters from the story). Change the story using new vocabulary. Character description (The Gruffalo). Draw and describe a dragon. Labels animals/wishing tree writing for Chinese New Year. Recipe instructions – Gruffalo Crumble Writing tricky words (Phase 2/3) Writing VC, CVC words and beginning to write digraph words.	Texts as a Stimulus: Little Red Hen World Book Day The Three Little Pigs Easter Write favourite part of the story (LRH). Sequence and label the story. Change the story based on language acquisition. Story map of the story. Begin writing a sentence/caption/label to describe beginning, middle and end of stories. Chalk out the story after roleplay. Speech bubbles for characters. Easter cards Writing tricky words (Phase 3) Writing CVC words (Phase 2 and 3) and beginning to write short phrases.	Texts as a Stimulus: The Gingerbread Man Non fiction books on minibeasts The Very Hungry Caterpillar Short sentences based on the text. Sequence and write sentences about the story. Writing for a purpose – roleplay. Speech bubbles for characters. Change an aspect of the story through writing. Story maps. Non-fiction writing fact files. Shopping lists. Writing tricky words (Phase 3/4) Writing words with digraphs and trigraphs (Phase 3 and 4) and writing in sentences.	Texts as a Stimulus: Oliver's Vegetables Oliver's Fruit Salad Aarrghh Spider! Superworm Leaving Mrs Ellis Non fiction Story writing, writing sentences using a range of tricky words that are spelt correctly. Beginning to use full stops, capital letters and finger spaces. Innovation of familiar texts Using familiar texts as a model for writing own stories. Character description. Letter to new class-teacher Writing tricky words (Phase 4) Writing CVCC, CCVC words, polysyllabic words (Phase 4) and writing in sentences
		and attempting VC and CVC words.				and writing in sentences

Birth to Three: Enjoy drawing freely. Add some marks to their drawings, which they give meaning to. For example: "That says mummy." Make marks on their picture to stand for their name. Three-Four Years:

Use some of their print and letter knowledge in their early writing. For example: writing a pretend shopping list that starts at the top of the page; writing 'm' for mummy.

Write some or all of their name. Write some letters accurately

The Reception Year: Form lower-case and capital letters correctly. Teach formation as they learn the sounds for each letter using a memorable phrase, encouraging an effective pen grip. When forming letters, the starting point and direction are more important at this stage than the size or position of the letter on a line. Spell words by identifying the sounds and then writing the sound with letter/s. Write short sentences with words with known sound-letter correspondences using a capital letter and full stop.

ELG: Writing: Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others.

MATHS <i>"Without</i>	Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.

General Themes	All About me!	LETS CELEBRATE!	Tell a story	Once upon a time	INTO THE GARDEN	Changes!			
EXPRESSIVE ARTS	The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.								
AND DESIGN 'Children are naturally creative. It is our job to give them the freedom, materials and space to let their creativity blossom to its full potential.' Jean Vant Hull	Music: Charanga Me! Nursery rhymes & actions songs – focus on rhythm & pulse. Children will learn to sing different songs. They will learn to clap the rhythm and pulse and then play the rhythm and pulse on instruments. Focus Artist: Andy Goldsworthy; Transient Art Patterns of different animals. Pet pictures. Create leaf man Self-portraits Junk Modelling Leaf printing Sketchbooks DT - Construction and junk modelling based on children's interest. Labels/design sheets/enhancements to construction area.	Music: Charanga My Stories! Learn to sing nursery rhymes and action songs: · I'm A Little Teapot · The Grand Old Duke Of York · Ring O' Roses · Hickory Dickory Dock · Not Too Difficult · The ABC Song Nativity Focus Artist: Jackson Pollock Rangoli patterns Diva lamps – working with clay Enterprise activities Advent and Christmas creative activities.	Music: Everyone! Nursery rhymes & actions songs – focus on pitch. Children will learn to sing different songs and learn how to sing low & high notes. They will use the glockenspiels to low and high notes. Focus Artist: Kandinski Junk box boats to investigate, creating characters, exploring houses. Create a Gruffalo environment. Chinese lanterns Sketchbooks DT - Exploring houses. Create a Gruffalo habitat.	Music: Our World! Learn to sing nursery rhymes and action songs: · Old Macdonald · Incy Wincy Spider · Baa Baa Black Sheep · Row, Row, Row Your Boat · The Wheels On The Bus · The Hokey Cokey Focus Artist: Arcimboldo (link to Healthy Food Week) Easter cards Exploring different textures and media. Self-portraits Make house for the three little pigs DT – Design & make a house for the three little pigs using a variety of material. Design., make & test a boat for the Gingerbread man Fruit kebabs	Music: Big Bear Funk! Singing games & instrumentals. Children will learn to sing simple songs from memory. To coordinate movement and actions with singing. To move with control and coordination and follow cue words actions. <u>Focus Artist: Eric Carle</u> Introduce Sketchbooks Butterfly painting – symmetry, patterns Creating mini-beasts Lifecycles Revisit Goldsworthy/transient art	Music: Rewind and replay! Consolidate learning and perform This Unit of Work consolidates the learning that has occurred during the year. Class Assemblies <u>Focus Artist: Monet</u> Sketchbooks Junk box modelling Self-portraits in sketchbooks Enterprise activities – Summer Fayre			

Children in Reception will be learning to: Explore, use and refine a variety of artistic effects to express their ideas and feelings; Return to and build on their previous learning, refining ideas and developing their ability to represent them. Crete collaboratively, sharing ideas, resources and skills; Listen attentively, move to and talk about music, expressing their feelings and responses; Watch and talk about dance and performance art, expressing their feelings and responses; Sing in a group or on their own, increasingly matching the pitch and following the melody; Develop storylines in their pretend play; Explore and engage in music making and dance, performing solo or in groups.

ELG: Creating with Materials: Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function; Share their creations, explaining the process they have used; Make use of props and materials when role playing characters in narratives and stories

ELG: Being Imaginative and Expressive: Invent, adapt and recount narratives and stories with peers and their teacher; Sing a range of well-known nursery rhymes and songs; Perform songs, rhymes, poems and stories with others, and – when appropriate try to move in time with music.
