Chair of Governors: TBA

June 2026

Dear Candidate,

Enhanced Provision Level 2 Teaching Assistant Vacancy

Approaching the amalgamation of Beeches Junior School and Beeches Infant School in September 2026, we have a vacancy for a teacher to join our team.

The role will be based in our enhanced provision, working with our “Eagles” class of six to eight children with a high level of SEND. The successful candidate will be required to support the learning of these children and to contribute to their all-round care, including intimate care. Some of the children wear nappies and we are assisting them to learn to use the toilet.

The role is permanent and full-time, starting on 1st September 2026. The successful candidate will have a generic Level 2 teaching assistant contract. There are no current plans for them to work outside the enhanced provision but this could, in theory, be a possibility in the future.

Beeches Primary School is going to be an exciting place to work! Both schools are full of hard-working, innovative, friendly and supportive staff and the most wonderful children. If being part of that appeals to you, we would love to receive an application from you.

Thank you for your interest in our school.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'M. Smart'.

Mike Smart
